

WICHITA FALLS POLICE DEPARTMENT

ANNUAL REPORT 2012

A Message from the Chief

Chief Manuel Borrego

On behalf of the men and women of the Wichita Falls Police Department, we appreciate the opportunity to serve and protect the citizens of our community. The Police Department's Annual Report for 2012 is submitted for your view.

This annual report highlights the different strategies and various programs we've used to promote the protection and well-being of our community. This report also illustrates crime statistics for our city. We understand that the quality of our service is dependent upon identifying and using cutting edge technology, enacting innovative and bold police strategies, and most importantly, the continuous critical self-evaluation of established programs. This ensures the program effectiveness will keep us apprised of crime trends and patterns.

One of the major goals of the department for 2012/13 is to structure a paradigm shift in enforcement philosophy towards the concept of Intelligence Led Policing. This policing model encompasses three necessities to be an effective and convincing approach; community partnerships, relevant and valid intelligence information, and proactive policing. The initial focus of our proactive strategy was towards identifying and initiating a plan to reduce the number of property crimes committed; particularly residential, business, and vehicle burglaries. To reach this goal several key priorities were set in place. One essential objective was emphasis on building a fully functional criminal intelligence/analysis unit. The other was increasing citizen's situational awareness, by way of a user-friendly crime analysis application called RAIDS online. Engaging in long-term solutions to crime patterns in our community through comprehensive analysis enables us to uncover and better address our crime issues.

We continue to be a value based and committed police department with the highest of professional standards. Our goal is to maintain the confidence and support of our citizens as we fulfill our mission to serve and protect our community. On December 31, 2012, the Wichita Falls Police Department lived up to these principled beliefs by receiving the award of "Recognized Law Enforcement Agency" from the Texas Police Chiefs Association's Law Enforcement Recognition Program. These Best Practices cover all aspects of law enforcement operations including use of force, protection of citizen rights, vehicle pursuits, property and evidence management, patrol and investigative operations. The Wichita Falls Police Department becomes only the 69th agency in the state to be so recognized.

Please take the time to review the Wichita Falls Police Department's Annual Report and I want to thank the citizens of Wichita Falls for the continued support of their police force.

Office of the Chief of Police

The Office of the Chief of Police has the ultimate responsibility for the management and administration of the Wichita Falls Police Department. This office coordinates the Police Department's activities with other city departments through administrative direction of the City Manager.

This office insures the efficient operation of the Police Department through planning, organizing and directing its activities. This direction assures law and order is maintained and other measures are implemented to prevent crimes and to protect the lives and property of the citizens and visitors to the City of Wichita Falls. Some of the duties involve consulting with other public safety officials in developing plans and policies to be followed in conducting operations involving joint concerns and activities. The Police Department's policies, rules and regulations are interpreted and applied from the Office of the Chief of Police.

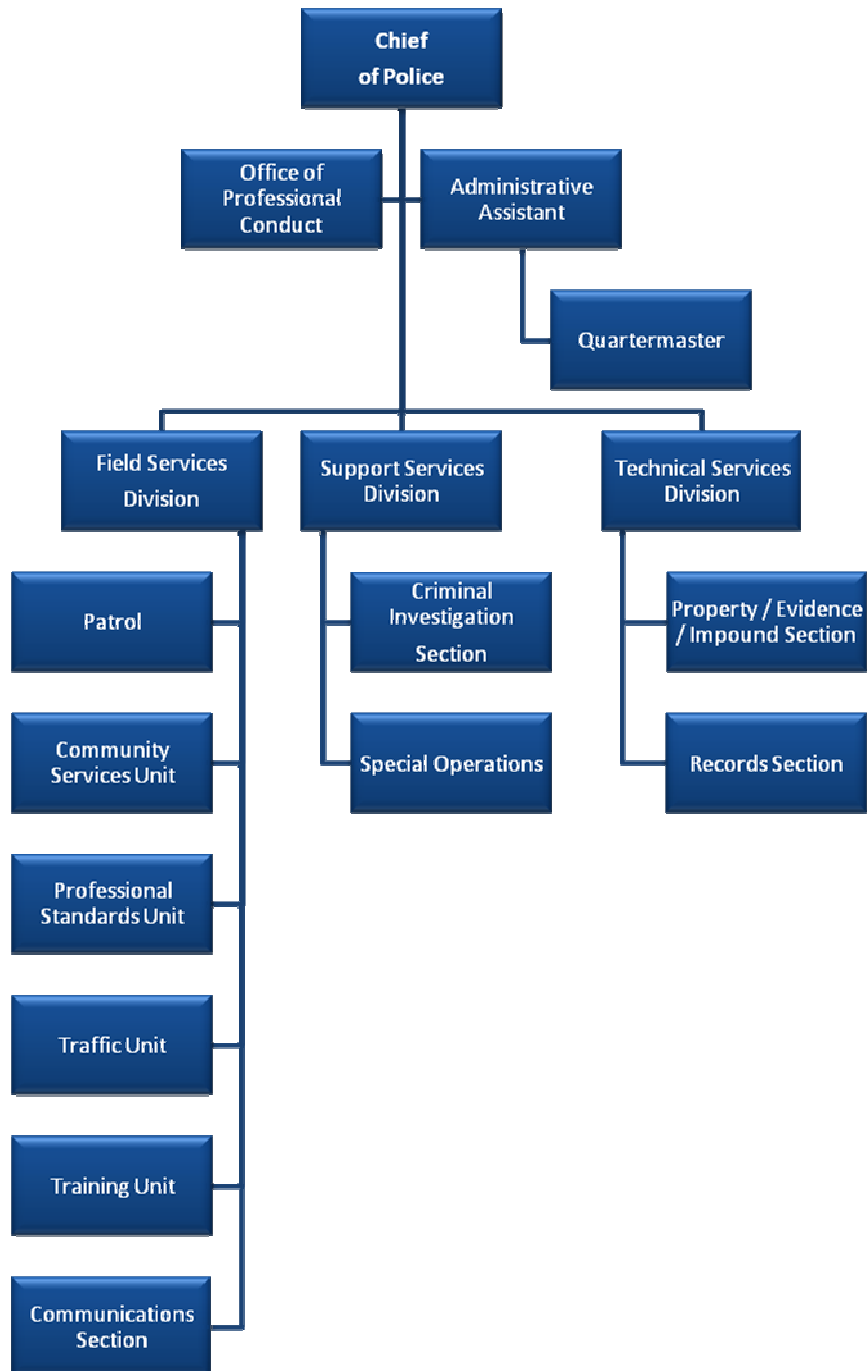

Three Divisions and the Office of Professional Conduct report directly to the Chief of Police. The divisions of the department are the Field Services Division, Support Services Division and the Technical Services Division. Field Services and Support Services are responsible for organizing and directing the personnel involved in the various patrol, investigative and Communications functions of the department. The Technical Services Division provides administrative support through functions such as Records, Property and Evidence.

Accomplishments of note for 2012 include: The Department completed the process of becoming an accredited agency by the Texas Law Enforcement Agency Best Practices Recognition Program. An online crime mapping and analysis program called Raids Online was made available to the public along with a version for officer use called AtacRaids.

W.F.P.D. Mission Statement

The mission of the Wichita Falls Police Department is to help preserve a better quality of life through a partnership with the citizens based on unbiased law enforcement and a desire to serve.

Organizational Structure of the Wichita Falls Police Department

Administrative Assistant

The Administrative Assistant is primarily responsible for the preparation of the department's annual budget. The budget and all department accounts are closely monitored and adjusted to keep the department within budget constraints. This office is also responsible for the leave accounting of all personnel and the Department's payroll records.

Office of Professional Conduct

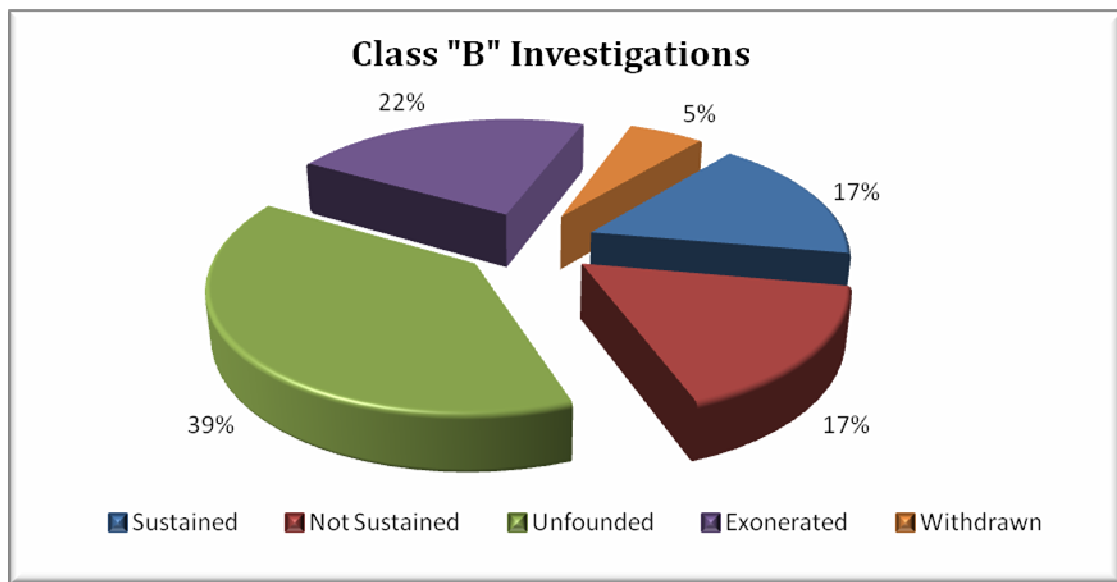

When requested by the Chief of Police, the Office of Professional Conduct will thoroughly investigate complaints and submit written reports to the Chief. These investigations may be categorized as either Class "A" or Class "B" investigations. Class "A" investigations are the more serious types and are investigated by the Office of Professional Conduct. Class "B" investigations are investigated by the employee's supervisor and are reviewed by the chain of command. A total of 35 case numbers were assigned in 2012 involving 52 separate complaints.

Findings:

- **SUSTAINED:** Evidence tends to support the allegation of misconduct.
- **NOT SUSTAINED:** There is insufficient evidence to either prove or disprove the allegation of misconduct.
- **UNFOUNDED:** Evidence tends to disprove the allegation of misconduct.
- **EXONERATED:** The evidence tends to support factual occurrence, but conduct does not appear to be improper.
- **POLICY/TRAINING ISSUES:** The evidence tends to support a finding of improper action, which may or may not have been consistent with policy. May indicate a need for training rather than disciplinary action.

Class "A" Investigations		
Findings	Total	Total %
Sustained	8	50%
Not Sustained	1	6%
Unfounded	2	13%
Exonerated	5	31%
* TOTAL	16	100%

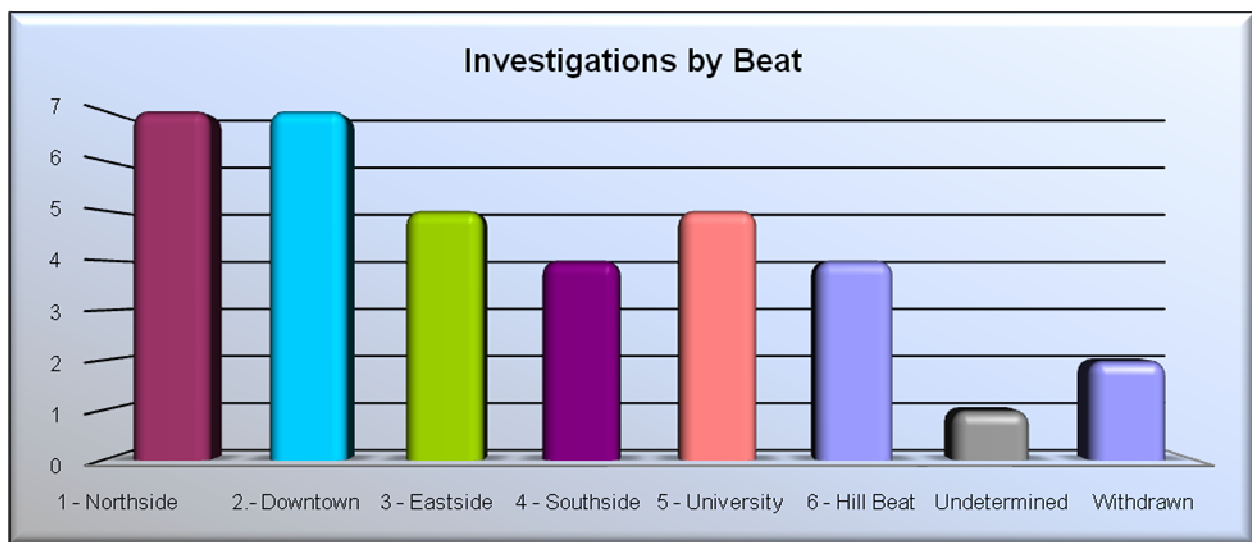

Class "B" Investigations		
Findings	Total	Total %
Sustained	6	17%
Not Sustained	6	17%
Unfounded	14	39%
Exonerated	8	22%
Withdrawn	2	6%
* TOTAL	36	100%

* Percentages are rounded to the nearest whole percent

These are the beats on which the incidents occurred. It should be noted that the Downtown beat contains the Police Station where most internal complaints initiate.

Beat	Investigations	
1 - Northside	7	20%
2.- Downtown	7	20%
3 - Eastside	5	14%
4 - Southside	4	11%
5 - University	5	14%
6 - Hill Beat	4	11%
Undetermined	1	3%
Withdrawn	2	6%
TOTAL	35	100%

A total of 35 case numbers were issued in 2012. Of these, nine of them were Class "A" or "Formal Investigations". Twenty of these were Class "B" or "Informal Investigations". In addition, the Office of Professional Conduct conducted four "Investigative Reviews". These Reviews were initiated by the Chief of Police to insure procedures were followed when firearms were used during instances of dog attacks. Two case numbers were withdrawn.

Initial Contacts

This is the number of cases based on the initial contact with the offender/suspect/victim, for example, on a Traffic Stop or a Call for Service. An internal charge is an internal complaint filed within the Department either by a supervisor or another employee. Work environment complaints are about the specific environmental issues such as employee conflicts.

	Class A	Total %	Class B	Total %	Investigative Review	Total %	Total	Total %

* Percentages are rounded to the nearest whole percent so the total may not equal 100%

Field Services Division

Deputy Chief Laura Drury

The Field Services Division Deputy Chief is an appointed position and is responsible for commanding the Field Services Division of the Police Department. If directed to do so, she acts for the Chief of Police during his absence.

The Field Services Division consists of the Patrol Section, Traffic, Community Operations Section, Public Safety Communications, Professional Standards Unit, and Training.

The Patrol Section's primary responsibility is protecting and serving the citizens of the community. The Patrol section has three main shifts designed to help during call for service peak hours.

The Traffic Unit deploys the Police Motorcycle unit to enforce traffic laws, on site accident investigators, and follow-up investigations responsible for investigating traffic related criminal offenses.

The Community Operations Section is comprised of the Crime Free Unit, Crimestoppers, DARE, the Sentinels, Neighborhood Watch and Citizens' Police Academy.

The Training Unit is responsible for the Department's in-service training. This unit is also responsible for managing a Certified Police Training Academy.

The Professional Standards Unit is responsible for grant management, research projects, custodian of the Departmental General Orders and Criminal Intelligence. Criminal Intelligence unit's primary responsibility is to facilitate the collections and dissemination of criminal intelligence information to the several of components of the police department used to assist in the apprehension of criminal suspects.

The Public Safety Communications Section handles all 911 emergency calls and non-emergency calls. This section has the dispatch responsibility for the Police Department, the Fire Department, and the Wichita County Sheriff's Office. Communications also handles weekend and after hours dispatching for other city departments, and AMR ambulance dispatch calls.

Patrol Section

The Patrol section consists of three shifts deployed across the city to provide 24 hours per day 7 days per week operation.

The Patrol Section continued an initiative, begun in the spring of 2010, of increasing the proactive stance of beat officers. Evaluating certain measurable crime statistics through the use of a new program called ATACRAIDs allows officers an increased beat awareness, heightened scrutiny of suspicious activity, and a more pointed attempt to suppress criminal activity pre-commission. Results continue to be positive, and there have been notable arrests made resulting from focused vigilance. If staffing numbers can remain somewhat stable after the graduation and post-graduate field training of the police officers, we are optimistic for continued and greater success.

Upgrading and improving the Field Training Officer (FTO) program has shown very positive results. Previously the Patrol Section experienced a situation where officers with limited experience were training officers with no experience. Recently, FTOs have become more seasoned which has greatly helped with the addition this budget year of FTO incentive pay.

The Patrol Section continued in 2012 with incremental deployment of L-3 digital in-car video systems. This is an ongoing project that started over 3 years ago. As of fall, 2012 nearly all of the marked police units are now digital. This was accomplished by upgrading existing in-car systems that were eligible and direct replacement of old VHS systems by attrition. Continued incremental deployment, as new cars are obtained, will result in the entire fleet being digitally equipped, hopefully within the next two budget cycles. This has benefited the Department's mission on many levels, not the least of which has been enhanced prosecution of criminals due to this video evidence.

Eleven (11) new police vehicles were added to the marked fleet this year after extensive research. Those vehicles are the newly designed Ford Interceptor SUV. This vehicle gives improved interior room for the officer along with improved handling capabilities.

The air card-based Mobile Data System is now fully and reliably functioning in the field. All the capabilities first envisioned for this system have been met along with the additional benefit of truly connecting the field officer to all the resources we have available at the police station.

Personnel Assigned to Patrol Section:

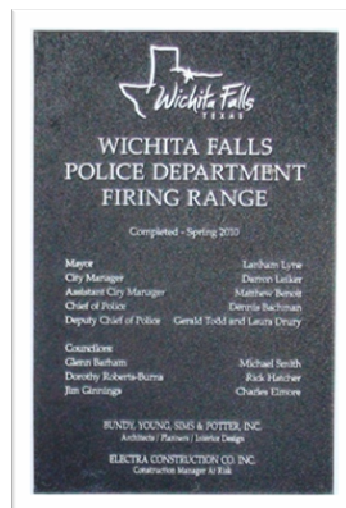

Patrol is comprised of 1 Captain, 3 Lieutenants, 12 Sergeants and 77 Officers. The section is broken down into 3 standard shifts for 24-hour operation. Their deployment is constantly re-evaluated so that their assigned hours meet the needs of the community.

Community Operations Section

A Captain commands the Community Operations and Professional Standards Section. This component of the Department is responsible for a Traffic Enforcement unit, a Community Services Section, Training and Academy Unit, Dispatch, Intelligence and a Strategic Planning Unit.

Traffic Section and Community Operations and Professional Standards

Captain	1	(This Captain is responsible for Traffic, Strategic Planning,
Lieutenant	1	Research and Planning, Intelligence, Training, Crime Free, D.A.R.E.,
Sergeants	5	Crime Stoppers, and Crime Prevention.)
Officers	27	

Traffic Unit

The Traffic Section includes the Motorcycle Unit, the On-site Crash Investigation Unit and the Follow-up Crash Investigation unit. The objectives of the police motorcycles are to reduce the number of traffic crashes by the use of selective traffic enforcement and to have a force that is highly mobile and flexible enough to respond to the special traffic and/or police investigations that are required. Examples include parades, escort service for visiting dignitaries, or any other special operation.

The Crash Investigation Unit is responsible for investigating all crashes with an emphasis placed on major traffic crashes involving serious injuries and/or death. The Follow-up Investigators will continue the process of the investigation. Their responsibilities will be to collect evidence, prepare formal reports and prosecution reports in order that appropriate charges may be filed in the case.

The Traffic Unit motorcycle fleet is composed of Harley Davidson FLHTPI Electro-glide and Kawasaki ZG1400 motorcycles. The city participated in the Click It or Ticket campaign again in 2012. Overtime for this program was reimbursed through grant dollars. The motorcycle unit also participated in the City Step Program this year that ran from March through September. A total of 1,396 man hours produced 3,035 citations. The majority of the citations were for speeding (2,295). Intersection violations (356) and seatbelt violations (37) were also included in the citation count. The motorcycle unit was used for special assignments such as Hotter-n-Hell Hundred, Falls Fest, and other events as needed. The unit provides special detail work as assigned. The Traffic Unit will once again be detailed to retail area-directed patrol during the heavy Christmas shopping season, which we expect will significantly impact vehicle burglaries in the target areas. In October 2012, 11 motorcycle officers travelled to Gonzalez, Louisiana to participate in the Gulf Coast Motorcycle Skills Championships. Nine out of the 11 officers who participated from Wichita Falls won awards for their riding skills.

Planning and Research

The Strategic Planning Unit has successfully applied for various grants for departmental projects which are not within the budget. The City of Wichita Falls has been approved for specific purchases under several Edward Byrne Memorial- Justice Assistance Grant (JAG) programs. The grants provide law enforcement equipment for the Wichita Falls Police Department. JAG Grant purchases continued into 2012 and included ATACRAIDS crime analysis service and software, AR-15 Rifles (Patrol), rifle slings (SWAT), night vision (Organized Crime Unit), spotting scope (Organized Crime Unit), tracking device (Tact Unit), diversionary device delivery system (SWAT), utility pouches for ballistic vests (SWAT), digital voice recorders (supervisors) and a CD/DVD Duplicator (Community Services). The amount of grant purchases made in 2012 was approximately \$26,653.20. Also, we have applied for and will be awarded funds through the Bullet Proof Vest Partnership program.

This unit has updated the General Orders and is consistently providing needed statistics and grading information for our community. An online source of crime analysis, called Raidsonline, was made available to the public in 2012. www.raidsonline.com

The Criminal Intelligence portion of this unit continues to provide multi-level intelligence dissemination to all sections on a timely basis. A departmental intelligence web site was developed and launched in 2012 to help provide communication throughout the department. This unit also works cooperatively with federal law enforcement agencies as well as other departments in our area

Recognition Program TEXAS POLICE CHIEFS ASSOCIATION

The Strategic Planning Unit has met all the requirements for the Texas Police Chiefs Association Law Enforcement Recognition Program. This

voluntary process required the Wichita Falls Police Department to conduct a critical self-review of the agency's policies, procedures, facilities and operations. Beginning in the summer of 2011, the department began the lengthy process to become a "Recognized" Law Enforcement Agency" by preparing proofs of compliance for each of the Texas Law Enforcement Best Business Practices. Upon completion of the internal review, an outside audit and review was requested. This final on-site review took place on October 9th and 10th, 2012. The on-site review is conducted by trained Police Chiefs from other areas of our state. The result of this review was then sent to the Texas Police Chiefs Association's Recognition Committee for final analysis and decision to award "Recognized" status.

Community Services Section

The Community Services Section is responsible for Crime Free programs, Crime Stoppers, Drug Awareness Resistance Education (D.A.R.E.), Neighborhood Watch Groups, Volunteer Police Chaplains, Sentinels, MSU Intern Program, website management and the Public Information Office. The Officers of the individual units have worked as a team to introduce and promote innovative techniques including “cold case” re-enactments and the City’s new Crime Free concept.

The Community Services Section coordinates community policing initiatives and enhances the relationship with the community. CSS partners with community sponsors such as Target, Wal-Mart and Rider High School to provide Christmas presents and a Santa Clause visit to the Children’s Home. The Section supplements all other areas of the Department on special events like Hotter’n Hell Hundred, Falls Fest and fireworks displays.

The Public Information Officer has established a good relationship with the media of the community. The Wichita Falls Police Department has one Sergeant and two Officers certified as Public Information Officers.

Crime Free Programs

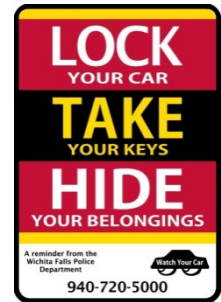

Completing its fourth year in Wichita Falls, the Crime Free training programs are among the most widely used in the city's history. Since 2008, a continued reduction in crime can be traced, in part, to the Crime Free training for hotel/motel, small business, self-storage, multi-housing and family lifestyles. Four Crime Free instructors currently support the Patrol Section in its mission of providing a safe and secure environment for residents and visitors. The program is proving to be a huge success seeing a decrease in both calls for service and arrests in area apartment communities (some as high as 80%). In recent months, the Crime Free Business program has expanded to include a one day a week foot patrol, focused on the business district downtown, designed to identify and address any crime related issues that may arise in this area. The Wichita Falls Police Department also serves as the Texas state training instructors to train other officers and agencies in all of these state of the art Crime Free programs.

The Community Services Section participated in National Night Out 2012 with our local Neighborhood Watch Programs and Crime Free Multi-Housing Communities. NNO has proven to be an effective, inexpensive and enjoyable program to promote neighborhood spirit and police-community partnerships in our fight for safer communities. The Community Services Section hosted a National Night Out pre-party a week prior to the actual event, which resulted in a huge turnout from our citizens. Plans are already being made for next year's event.

Lock, Take, and Hide, an on-going Community initiative to fight vehicle burglary, encourages our citizen's to LOCK their car, TAKE their keys, and HIDE their belongings. Since its inception, vehicle burglaries have decreased, especially among unlocked vehicles. The media has also been instrumental in the success of this program. Lock, Take, and Hide signs are now visible throughout the City with more being requested all the time.

Drug Abuse Resistance Education

DARE (Drug Abuse Resistance Education training program) teaches students the dangers of drug addiction, and discourages the use of illegal drugs by teaching the students to make informed decisions. In partnership with the Wichita Falls Independent School District, our two DARE officers teach the DARE curriculum, which also includes bullying and gang prevention to all 6th and 8th graders. These programs continually educate over 10,000 children each year. In addition to children, DARE Officers conduct training and programs on a variety of drug and safety topics to parents, educators, administrators, and other adults. DARE Officers are also available for health and safety fairs, parades and other community events.

Crime Stoppers

Since its inception, in February of 1981, Wichita Falls Crime Stoppers, Inc. accounted for 4,530 arrests, 7,009 offenses cleared, and \$963,085 in rewards paid. Information received by Crime Stoppers has netted \$4,833,946 in stolen property recovered and over \$ 4,833,946 in narcotics seized. Crime Stoppers organized a Golf tournament, Motorcycle Fun Run and a Bowling tournament to raise Funds for the program in 2012.

Campus Crime Stoppers

Since its inception, in September 94, Wichita Falls Campus Crime Stoppers Program has accounted for 1,623 arrests, 1,565 offenses cleared and 538 rewards that paid \$19,479. These rewards netted \$ 170,286 in stolen property recovered and over \$ 13,888 in narcotics seized. Students for Harrell ALC and Henrietta High School attended the Campus Crime Stoppers Conference.

Sentinels

The Sentinel program continues with 5 civilian, part-time employees. The Sentinel program assists the City of Wichita Falls by responding to Community Property Patrol checks, abandoned vehicles and handling property and evidence reports. Sentinels also respond to City Code violations, writing We Can Fix It memos that help enable other City departments respond to city maintenance deficiencies. The Sentinels also deploy and maintain the Department's radar trailer that monitors vehicle speeds at 90 various sites around the city. The Sentinels deployed the Auto License Plate Reader for 196 hours during their normal operations. Year to date, the unit is responsible for writing 471 reports, conducted 3,738 patrol checks, reported 362 code violations and checked on 1,315 vehicles.

<i>Sentinel Summary</i>		
	2011	2012
Patrol Checks	3,796	3,738
Reports Written	412	471
Calls for Service -SAFB construction gate	96	129
Code Violations Reported	283	362
Check Unattended Vehicles	1,179	1,315

Citizen's Police Academy

Citizens Police Academy was first formed in 1999, and is dedicated to the education of the citizens of Wichita Falls on how their police department operates. The participants are provided hands on training on how the officers are trained, the challenges they face, and how well educated each officer must be. The Academy consists of three hours instruction one night a week for 12 weeks, and has graduated over 600 people through the academy. The academy graduated 2 classes totaling 45 people in 2012, and has a membership of over 150 Alumni who provide an additional support group for our department. The Citizens Alumni Association has contributed several hundred volunteer hours as the Department has implemented the Volunteers In Police Service (VIPS) program. Total C.P.A.A. Donations to date is in excess of \$71,000.00.

<i>2012 C.P.A.A. Donations</i>	Amount
Police Dept. Christmas Dinner	\$464.98
Police Banquet	\$75.00
Crime Stoppers	\$200.00
Fundraiser Donations	\$500.00
Total 2012	\$1,239.98

Volunteer Police Chaplains

The Volunteer Police Chaplains provide clerical assistance to officers having such a need as an individual, or in the performance of their duties. The chaplain program is a ministry to the officers of the Wichita Falls Police Department and to the citizens of the City of Wichita Falls. Their services are invaluable during times of critical incidents involving officers and citizens.

Training Unit

The Training Unit started the 64th Academy on March 5, 2012 and completed the Academy with graduation on August 17, 2012. Recruitment and a hiring process for the 65th Academy started in July 2012. Testing started on September 22, 2012 with an anticipated Academy start date in February 2013.

The Training Unit has been working to complete courses for In-Service training for the Wichita Falls Police Department to insure that all licensed officers receive their TCLEOSE 40 hours of mandated training courses every two years and required courses for advancement to Intermediate, Advanced and Master certifications. In-Service training Starts on Nov 26, 2012 and will run through April 2013. Courses Identified for training are:

- 8 hours of DWI Standardized Field Sobriety Training Update
- 6 hours of Off Duty Officer Survival
- 2 hours of the Under 100 Program to reduce Officer Accidents
- 4 hours of Ethics Update
- 4 hours of Wellness & Fitness Update
- 16 hours covering Active Shooter Updates and Scenario Training

The Training Unit provided 36 courses for 798 officers and telecommunicators in 2012.

The Training Unit worked to bring in specialized courses during 2012 and a few of the highly noted courses were:

- Arrest, Search and Seizure
- Arresting Communication
- Effective Courtroom Testimony

The training unit is staffed with one secretary that multi-tasks with front lobby responsibilities that include walk in traffic from persons interested in fire, emergency management, police and dispatch issues. The secretary also deals with the alarm permits program and Training reporting responsibilities to the Texas Commission on Law Enforcement Officer Standards and Education.

Alarm Permits

The Training Unit oversees the alarm permit program which includes billing, processing and enforcement. In 2007, the Community Operations Section and Public Information Office began an initiative to promote alarm registration in the City. Local media and the City's website provided information on the ordinance and how to renew or register an alarm. Since 2007, alarm permit compliance has increased approximately 27%.

Permits for 2011
4,422

False Alarms for 2011
4,574

Permits for 2012
4,728

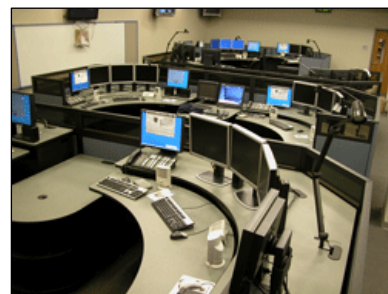

False Alarms for 2012
3,488

In an attempt to reduce the number of false alarms, the WFPD Community Operations Section worked one-on-one with a number of local businesses and homeowners to teach ways to reduce the number of false alarms. This resulted in a decrease of false alarm calls by nearly 24%, saving both permit holders and the City thousands of dollars.

Communications Unit

The Communication Unit is staffed with one Civilian Telecommunicator Trainer that is responsible for training newly hired telecommunicators. This training is conducted for 6 weeks and provides a basic training certification for new employees entering the communications center. The training unit provided three training classes during the 2012 training year to over 13 new telecommunicators. We anticipate starting another course in December 2012.

This unit is responsible for receiving, monitoring, transmitting and relaying calls for emergency services to appropriate public safety officers. They operate telecommunications equipment such as emergency and non-emergency telephones and radios. They maintain complete records of all communications' transactions through computer functions and digital recording equipment. The Communications Center obtains and processes confidential records and related information used in criminal investigations and related situations. They are also responsible for maintaining constant communications with Police, Fire and County officers and other city employees out working the streets of Wichita Falls, thus helping ensure their safety. Communications also monitor and dispatch after hours for other city departments and refer calls for AMR Ambulance. This is a twenty-four (24) hour, seven (7) day a week operation. Calls per year per Organization are listed below:

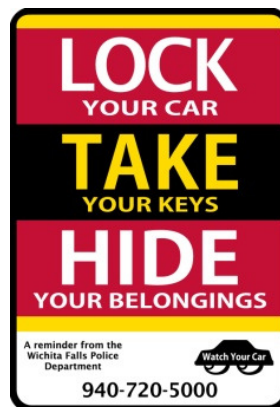

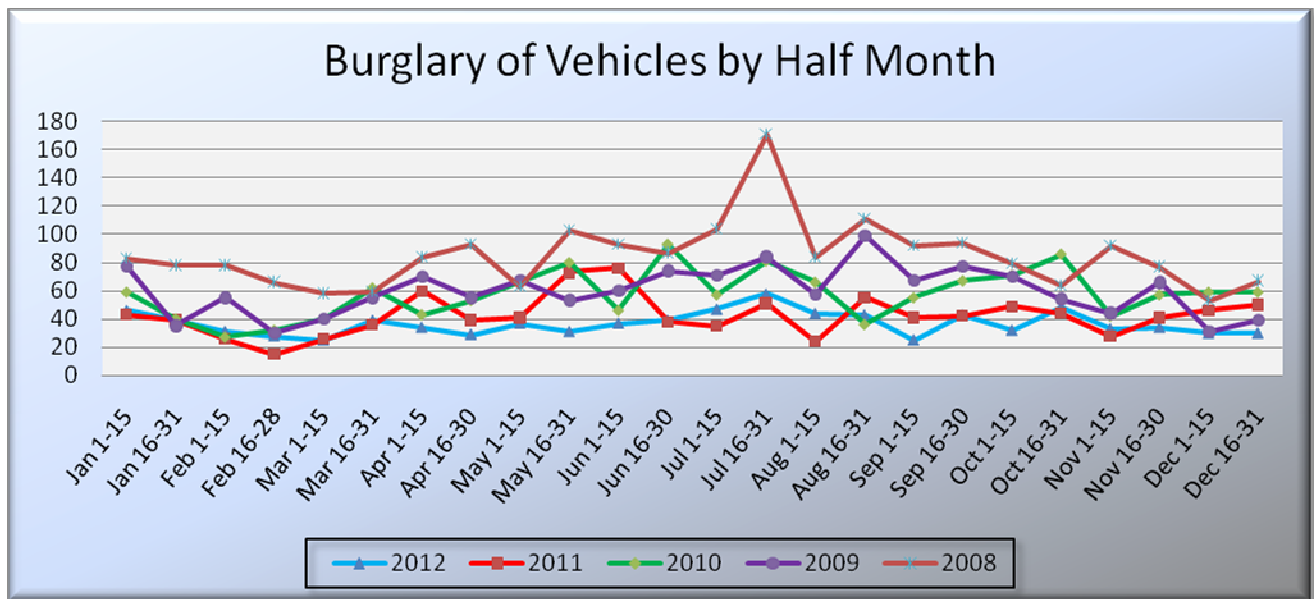

Calls for Service

Year/Dept	Police	Fire	Sheriff	Total /Yr
2011	143,218	10,341	32,501	186,060
2012	133,549	9,852	30,778	174,179

BOAR Unit

BOAR (Burglary of Auto Reduction) was formed in 2008 to reduce Auto Burglary, and the factors that relate to auto burglary. Now finishing the 4th year, the BOAR program involves both the Units of the Police Department, Citizens Police Alumni Association, Community and Media to enhance emphasis on awareness of factors concerning auto, building and habitation burglaries. Involvement of all Units in the Police Department, along with Intelligence dissemination has contributed to a reduction of vehicle burglaries of more than 57% in our community in the past 4 years.

Support Services Division

Deputy Chief R.W. Smith

The Support Services Deputy Chief is an appointed position and is responsible for command of the Support Services Division. If directed to do so, he acts for the Chief of Police during his absence. A Support Services Captain is also assigned to this Division, who answers to the Deputy Chief.

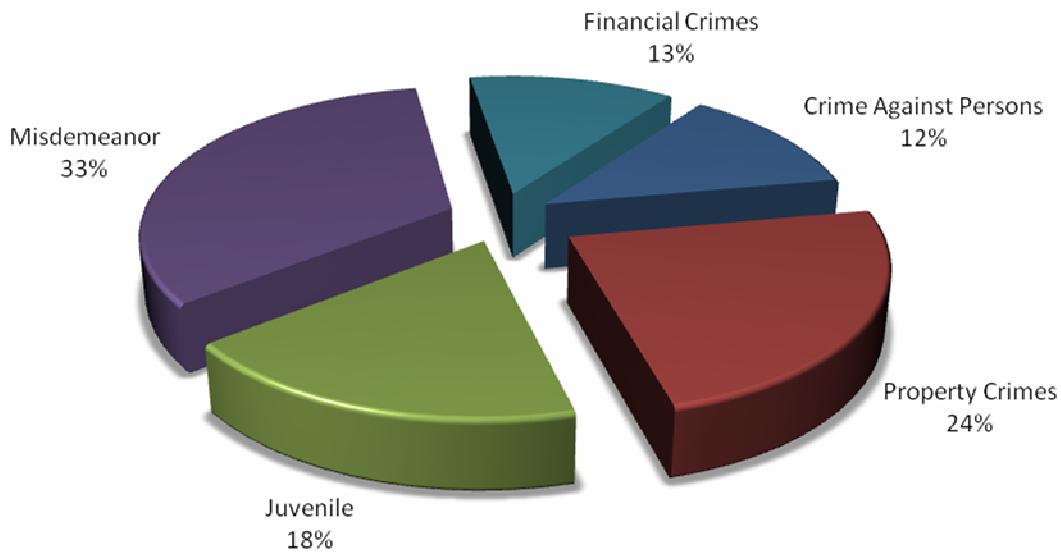

The Support Services Division is responsible for all follow-up criminal investigations of unsolved crimes reported in the field, and for investigation of special crimes. This division is traditionally known as a “plain clothes” division and is composed of the Criminal Investigation Section, the Organized Crime Unit, the Gang Task Force and the Tactical Services Unit. The Crime Scene Unit, the SWAT team and the Honor Guard are also components of the Support Services Division.

Criminal Investigation Section

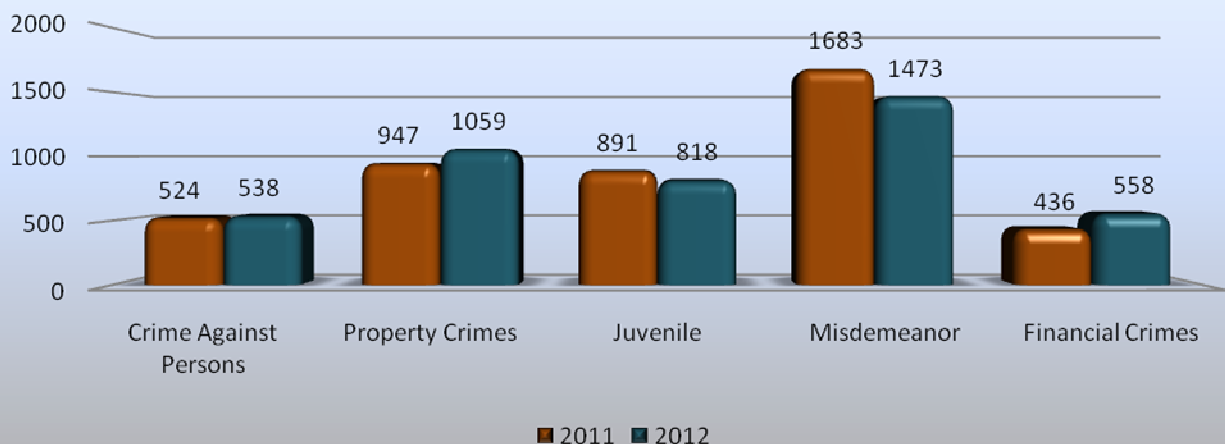

The Criminal Investigation Section is responsible for the follow-up investigations of all felony arrests, all Part I Offenses and some Part II (misdemeanor) Offenses, where significant solvability factors exist.

The Criminal Investigation Section is comprised of 5 investigation Units. These Units are Misdemeanor, Property Crimes, Juvenile, Crimes Against Persons, and Financial Crimes Unit. There are 5 sergeants and currently 28 officers within the unit. There are 8 civilian personnel headed by a Supervisor.

2012 Criminal Investigation Section Assigned Cases

2012 Criminal Investigation Section - Assigned Cases per Unit

Crimes Against Persons Unit

The Crime Against Persons Unit is responsible for the investigation of felony cases such as homicide, robbery, sexual assaults, aggravated assaults and kidnapping. They also follow up on suicides and unattended deaths. The unit receives about 180 cases each month. The unit is normally staffed by six full time detectives. The case load for each detective is approximately 20 - 25 cases per month. One detective is assigned to "Cold Case" investigations in addition to regular cases. The sergeant of this unit also typically works selected cases to relieve case loads.

Property Crimes Unit

The Property Crimes Unit is currently staffed with one sergeant and seven detectives. One investigator is responsible for investigation of auto thefts and unauthorized use of motor vehicles. One investigator is responsible for the pawn/second-hand dealer detail. The five remaining detectives are responsible for the follow-up investigation of all burglaries, felony thefts and all other felony property crimes. The case load of the detectives is approximately 25 - 30 cases per detective, per month. Vehicle burglaries have been substantially reduced due to public awareness campaigns by the Department and proactive enforcement. Burglary of vehicles remains a major concern for the community however, since these crimes often result in additional financial crimes such as identity theft, forgery and credit card abuse.

Misdemeanor Unit

The Misdemeanor Unit is responsible for follow-up investigations of Class A & B misdemeanors. The Sergeant assigned to this Unit is on loan from the Patrol Section for one year at a time in an "On the Job" training status. This gives supervisors in the field practical knowledge of follow-up investigations that is passed on to officers in the field to increase their abilities in field investigations. The Unit is normally staffed by five detectives who help lower the cases assigned per detective. Detectives are able to manage cases much better and make contacts in a much more expedient manner when the Unit is fully staffed.

Juvenile Unit

The Juvenile Unit is responsible for investigation of crimes against children, juvenile offenders and the tracking of sex offenders. This Unit investigates felony and misdemeanor crimes involving juveniles. The Unit is normally staffed by seven detectives and a Sergeant. Three investigators in this Unit work from Patsy's House Children's Advocacy Center, where they work as part of a multi-disciplinary team along with CPS, the D.A.'s Office, and SANE nurses. Three investigators work crimes committed by juvenile offenders. The Unit also has an investigator that is responsible for tracking all registered sex offenders in the City.

Financial Crimes Unit

The Financial Crimes Unit is comprised of four detectives and one sergeant. They investigate all manner of financial crimes such as identity theft, fraud, credit card abuse, embezzlement, money laundering and computer crimes. The unit works hand-in-hand with federal agencies such as the Secret Service, Postal Inspection Service, and FBI. Two detectives are assigned to a Secret Service task force to assist in major cases. The case load of the detectives is approximately 15 - 20 cases per detective, per month. The unit strives to educate the public on identify theft and other fraud-related crimes by presenting programs throughout the year for different civic and public organizations.

Crime Scene Unit

The Crime Scene Unit is responsible for maintaining fingerprints and digital images, processing items for latent prints and comparing the prints to known prints for identification purposes. The crime scene technicians process major crime scenes, when necessary, collecting latent prints, other evidence and photographing and documenting crime scenes. The technicians are responsible for photographing special events as necessary and other assignments as ordered by the Chief of Police. The crime scene technicians also enter unknown latent prints in the Texas Department of Public Safety Automated Fingerprint Identification System. The Crime Scene Unit frequently lends its expertise to local, state, and federal law enforcement agencies and testifies in both state and federal courts as expert witnesses.

Special Operations Section

The Special Operations Section is comprised of the Organized Crime Unit, the Tactical Unit and the Gang Task Force. Since each of these units is specialized with similar and often overlapping responsibilities, they have been placed under the umbrella of Special Operations. Each unit maintains their very distinct goals and objectives. Having these units under this umbrella allows for a combined and unified effort and enhances the opportunity to provide advanced training for the Officers to work together.

The Special Operations Section is responsible for gang suppression, gang intelligence, the execution of high-risk arrest/search warrants, SWAT assignments, narcotics, vice, drug search warrant, criminal intelligence, and a variety of specialized operations. This section also trains and coordinates the efforts of the police negotiators. The extensive training, ability to stay on a specific task for an extended period of time, and very flexible work schedule has allowed this unit to meet a tremendous need. The section also supplements other units of the department on an as-needed basis to assist in very large cases, to supply manpower for specialized events, and to conduct undercover police operations. In 2012, SWAT had a total of 52 Operations which included participation in 31 High Risk Narcotic Search Warrants, 5 CIS High Risk Evidentiary Search Warrants and dealt with 7 Barricaded or Suicidal Subjects.

SWAT Unit

Tactical Services Unit

The Tactical Unit is responsible for conducting surveillance and apprehending suspects involved in burglaries, thefts and other high profile crimes. When needed, the unit will assist other units in their investigations. The unit is supervised by a Sergeant and was re-formed in early August 2008. Since its inception the unit has made numerous felony arrests, recovered several stolen vehicles, stolen firearms, and recovered large amounts of other stolen property taken in burglary and theft cases. The unit assisted in the apprehension of aggravated kidnapping and aggravated robbery suspects. The unit has been responsible for the identification of suspects involved in the investigation and dismantling three major burglary and theft rings. The unit also aids in arresting specific individuals that are the main targets of investigations.

Gang Unit

The Gang Unit is responsible for monitoring and interdiction in Organized Gangs and their Associates that are active in our community. The unit is supervised by a Sergeant and was organized as a full time unit in 2007. The Unit works to identify, document and use interdiction techniques to keep organized gangs from conducting illegal crime activities. The Unit has taken the lead in enforcing court ordered gang injunctions that have resulted in the successful disruption of recognized gang activities and discouraging members from association and interaction. The Gang Unit identifies geographical locals along with active members, associates and their interaction with each other and rival gangs. Currently, the Wichita Falls Police Department has record of 19 active gangs with a combined total of more than 400 members.

2012 Total Activity - Gang Unit	Total
Total # of Stops	535
Total # of Stops with Tickets	218
Total # of Misdemeanor Tickets(PI, Drug Parap, Etc)	269

2012 Items Seized- Gang Unit	Total
ICE	30 Gr
Marijuana	3,992 Gr
Crack Cocaine	147.4 Gr
Powder Cocaine	5.3 Gr
Cash	\$24,995.00
Firearms	5
Autos Seized	48

Wichita Falls Gang Injunctions

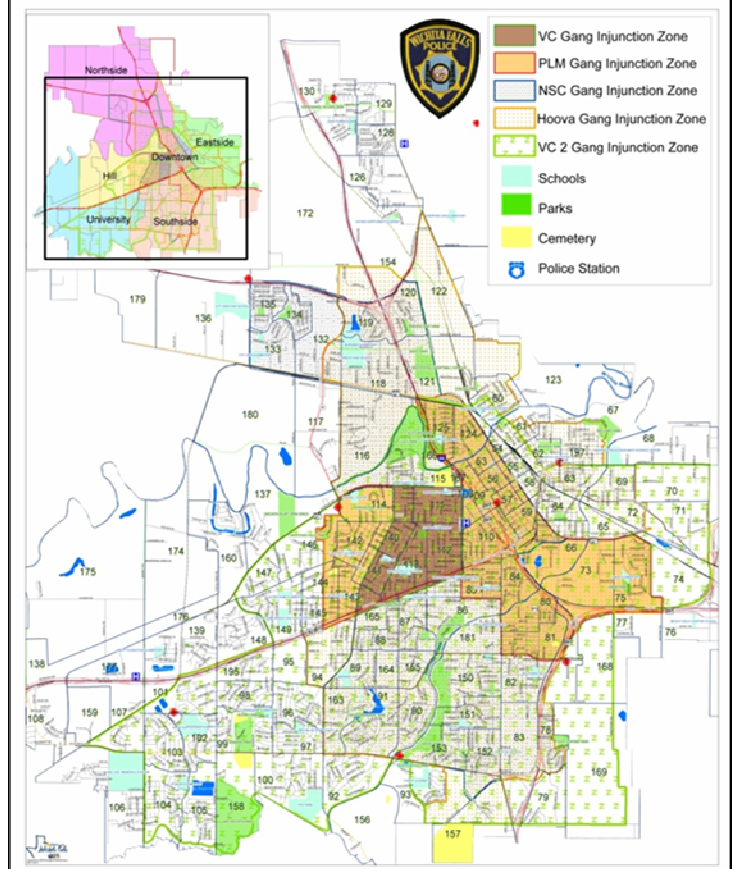

As of December 31, 2012, the City of Wichita Falls had four gang injunctions in operation. The first injunction was implemented in 2007. The second gang injunction was implemented the first of July 2008. The third gang injunction was implemented in 2010. The fourth gang Injunction was implemented in February of 2011. Gang Injunctions have been upheld in court action, and a notable number of defendants have been taken off the street with the continued use of this tool. Crimes in the Reporting Districts that make up the four gang injunctions have been reduced nearly 40% since the Injunctions have taken effect. The success of the Gang Injunction concept is due to the combined efforts of the City of Wichita Falls Police Department, the City of Wichita Falls Legal Department Prosecutors Office and the Wichita County District Attorney's Office.

Crimes in Gang Injunction Zones

Wichita Falls Police Department Gang Injunction Zones

Organized Crime Unit

The Organized Crime Unit is responsible for narcotics, vice and organized crime investigations within the city of Wichita Falls. This involves the filing of all the departmental drug related cases, undercover operations, surveillance, reversals, drug buys, and buy-bust types of cases. In addition, they control the prostitution, gambling, and organized crime problems in the city. Members have received highly specialized training in the investigation and handling of labs, and all are lab-certified. In 2012 the unit completed two long term investigations in conjunction with the FBI, ATF and DPS in addition to their day-to-day narcotics investigations.

Interdiction Unit

In 2012 the K-9 Unit was placed under the supervision of the Organized Crime Unit and re-designated the Interdiction Unit, to reflect the unit's current mission. The goal of the Interdiction Unit is to target and interdict the smuggling of illegal drugs and weapons, etc. into the city. The unit also supports the efforts of the Organized Crime Unit by conducting canine searches as needed with Turko, a 2-year old Belgian Malinois.

OCU Involvements

	2012	2011
Misdemeanor Drug Arrests	267	380

Technical Services Division

The Technical Services Division is responsible for the management of three sections including Impound, Property/Evidence and Records. All of the employees in the Technical Services Division are civilian employees and work in many shifts.

Impound Unit

This unit is responsible for the intake, cataloging, storing, preservation and chain of custody for all impounded motor vehicles whether impounded for safe-keeping or as evidence. Items and Vehicles in Impound are available for evidence for lengths of time from days to weeks to years.

Impound Unit	2010	2011	2012
Number of Vehicles Auctioned	193	175	133
Number of Other Items Auctioned	229	195	125
Value of Auctioned Items	\$102,470	\$107,000	\$89,070
Value of Fees collected	\$117,041	\$109,782	\$127,798
Wrecker Payments	(\$103,609)	(\$98,935)	(\$97,170)
Annual Revenue	\$115,902	\$117,847	\$119,697

Property / Evidence Unit

This unit is responsible for the cataloging, storing, preservation and chain of custody for all evidence and property (including impounded vehicles, motorcycles, bicycles etc.) taken into the custody of the police department. The Evidence Technician assigned to this unit is also responsible for properly disposing of evidence, which is no longer needed as evidence for court.

Property Room	2011	2012
Firearms received	212	197
Controlled substances received	1,414	1,449
Number of items received in property	9,223	9,864
Items sold at public auction	282	318
Revenue from Auction	\$7,844	\$8,742

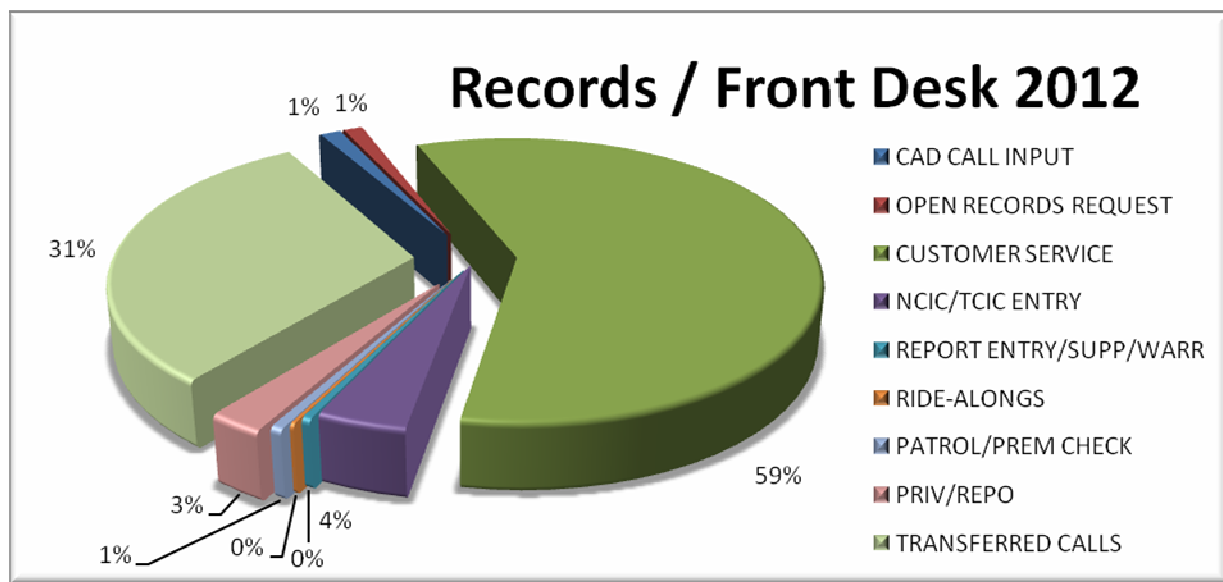

Records Unit

This unit is responsible for maintaining and filing of the entire department's original records. This unit is also responsible for court ordered expungements, processing insurance company requests for reports, criminal history checks, providing reports to the Department of Public Safety, addressing citizen inquiries, and assisting officers and investigators.

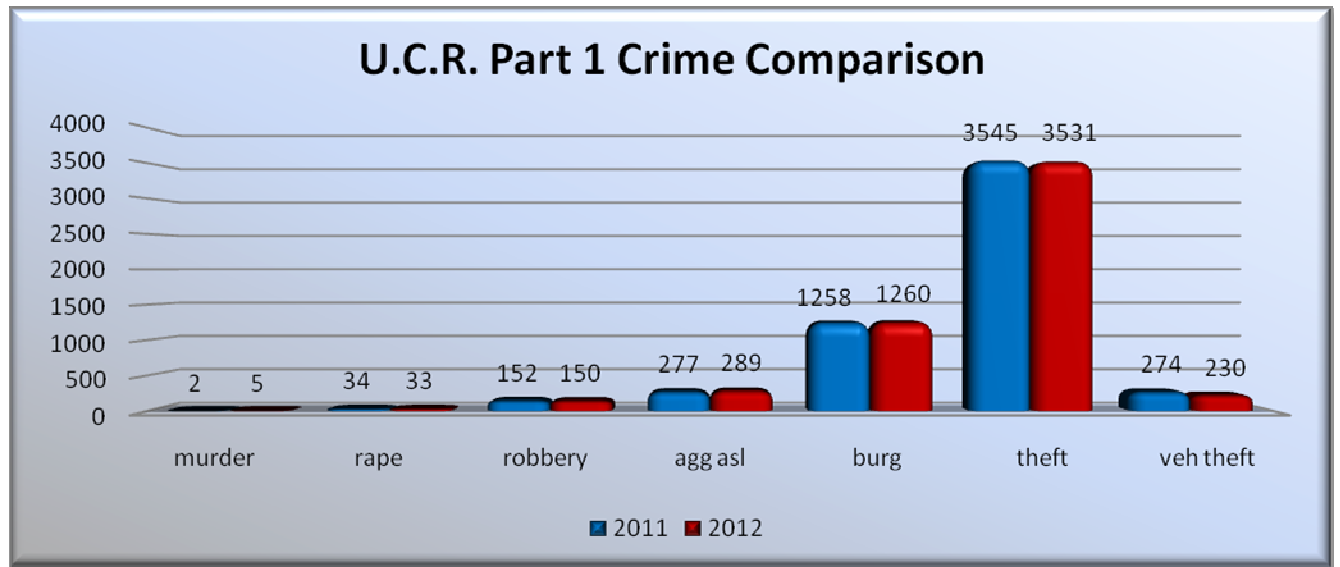

This unit is also responsible for the civilian Front Desk Information personnel. They are responsible for complaint reception from walk-ins and via telephone relative to criminal offenses not requiring the physical presence of a police officer. Their work assignments cover a full range of clerical and typing duties and include a significant amount of data entry and retrieval.

For the Years 2011 / 2012:

Item	2011	2012
CAD CALL INPUT	677	593

Crime Trends

Note: According to the Criminal Investigation Section's juvenile sergeant, as of January 2000 runaway arrests are no longer entered in the Records Management System's arrest file. The Wichita County Commissioner's Court ruled juvenile runaways are not to be arrested, nor handled by the Wichita County Juvenile Detention Center. Runaways are to be transported to the Teen Shelter by law enforcement personnel.

The preceding chart shows adult arrests have increased approximately 6.17% from 2011 while juvenile arrests have decreased approximately 6%.
